

Yellowstone County, Montana

Commissioners Departments Contacts Site Map Home

Here are the results of your search:

LEVEL 1 - The risk of a repeat sexual offense is low;

LEVEL 2 - The risk of a repeat sexual offense is moderate;

LEVEL 3 - The risk of a repeat sexual offense is high, there is a threat to public safety, and the evaluator believes that the offender is a sexually violent predator.

N = NONE Violent offenders are not given a tier level designation

* = A tier level designation has not been given - sex offenders who were sentenced prior to the enactment of tier levels in 1997 will not have a tier level designation. Sex offenders convicted federally or in another state will not have a tier level designation.
